Titel: Virtual WU-Ball by AIESEC Alumni Austria

Dear friends and fellow alumni,

After the success of the last five years, we did not want to renounce on the WU Ball regardless of the restrictions and difficulties that the pandemic is posing.

We are glad to announce the next AIESEC Alumni Austria reunion, on Sat, January 09, 2021, at the virtual WU Ball, which this time is being exclusively organised by our board of AAA and the national support team. Many things have changed this year but we are sure that we will have a wonderful time together as we always do.

We are again delighted to offer all AIESEC alumni and students an attractive package for 3 fabulous days of activities.

Besides the ball, there is also going to be a diverse social program over the weekend for all of our guests, such as wine tasting on Thursday, January 7th, an international dinner on Friday and a dancing course to practice the waltz and quadrille.

Table chats via breakout sessions will also be organised to be as close as it gets to the real Ball feeling.

Just like last year, on Friday 8th we are invited to the Presidential Elections of AIESEC in Austria that will also be held online.
